**New Tripoli, PA**

*All Proceeds Benefit the  
Lehigh Valley Chapter PSPE  
Youth Engineering Education  
Program*

**Please respond by  
May 2, 2008**

# Lehigh Valley PSPE PROMOTING ENGINEERING

Here is your chance to have some fun in the sun, network with peers and clients, and support the Lehigh Valley Chapter of PSPE's Youth Engineering Education program. With a shotgun start and a scramble format everyone can join in the fun.

Three scholarships were awarded in 2007 to high school seniors who planned to attend an ABET, Inc. accredited university to study engineering. Proceeds from the Golf Outing enable us to continue and improve on our support of engineering education as we have done for over 20 years.

In 2008, 306 youth competed in PSPE's Mathcounts program that exposes hundreds of Lehigh Valley youth to mathematics and engineering. We want to continue the growth started in 1983 so that more youth can be involved in the future.
