Meeting Topic: Leadership - Do You Have What It Takes?

Speaker: Joni Naugle, Principal, FOCUSED

Today's world is quite complex. The people we interact with and the situations we face day in and day out are different. How can you succeed? Joni will review leadership qualities and the traits that effective leaders master.

The Principals of FOCUSED are process and facilitation specialists who understand your business challenges. We use knowledge, insights and tools to help business leaders capitalize on success.
