

PSPE Reading Chapter Report

September 25, 2021

2021-2022 Chapter Activity & Schedule of Events

Reading Chapter of PSPE held its first Board Meeting of the 2021-2022 year on September 15, 2021. Chapter events and PDH opportunities are being planned for the upcoming year. Berks County MATHCOUNTS is scheduled for February 5, 2022 and will be held live and in-person at Penn State's Berks campus.

2021 Golf Outing

The 2021 Reading and Valley Forge Chapter Annual Golf Outing was held on May 21, 2021 at Turtle Creek Golf Course, Limerick, PA. The event was a tremendous success, raising over \$9,000 to benefit both Chapters' scholarships and/or MathCounts competitions.

Reading Chapter Bylaws

The Reading Chapter continues to pursue updates that will modernize the Bylaws to the current operations of the Chapter.

Reading Chapter Merger

As Berks County is the one of the few PSPE Chapter solely comprised of a single county, combined with stagnant membership and participation numbers, Reading Chapter has progressed internal discussions of possible merger/consolidation with the neighboring Valley Forge Chapter of PSPE.

Thank you,
Frank G. Falzone Jr., P.E. - State Director Reading Chapter
